Q8 If you could change anything about the E Wing Move process, what would you suggest?

1	The move was great, the team was very helpful and the pre planning helped shave a lot of time. Unfortunately, some under estimation of move scope occurred leading to an extended move. Most movers were fine with this except one who was getting grouchy and even ended the move saying "I sure hope I don't run into whoever did this walk through". The vague threat at ~whomever~ was not appreciated not professional.	2/15/2024 12:02 PM
2	Thank you all for your help, effort and time. It was a pleasure to work with you through out the moving process.	2/13/2024 8:33 AM
3	The movers were not an issue. We had our own faults by not knowing exactly where things would fit. Ideally, moves would not start super late but I see why they don't want to cancel and reschedule either. The bigger issue was the building not being set up to recieve us (co2, di water, needed plugs, requested modifications, etc). This made life hard on the movers and us.	2/12/2024 3:41 PM
4	It was great fast and well organised	2/6/2024 3:36 PM
